Delhi

EXPERIENCE

Java Programming Intern at System Tron [🔗](#) | [Java](#)

April 2024 - May 2024

- Successfully completed a 4-week internship as a Java Programming Intern at System Tron, gaining hands-on experience in software development.
- Collaborated with a team of professionals, improving problem-solving skills and understanding of agile methodologies.

PROJECTS

Social-Sphere [🔗](#) | [Full Stack](#)

March 2024

- Designed and developed a robust social media platform utilizing **Spring Boot** and **Spring Security** for backend services, ensuring secure user authentication and authorization functionalities.
- Implemented interactive user interfaces with **React JS**, enhancing user engagement and experience through dynamic content rendering and real-time updates.
- Integrated features including post creation, commenting, and chat functionality, fostering seamless communication and interaction among users within the platform.

Chiranjeevi [🔗](#) | [Full Stack](#)

January 2024

- Spearheaded the development of the Chiranjeevi web app, a platform designed to provide users with the ability to book ambulances during emergencies and schedule doctor appointments.
- Engineered a **Spring Boot** backend to seamlessly gather and manage user data, ensuring efficient and reliable data processing.
- Implemented the front end using cutting-edge technologies, including HTML, CSS, React JS, Tailwind, and JavaScript, ensuring a responsive and user-friendly interface.

Tripti Foundation-A charity Foundation webapp [🔗](#) | [HTML](#), [CSS](#), [JavaScript](#), [Bootstrap](#)

Nov 2023

- Conceptualized and developed a dynamic Charity web application using HTML5, CSS, JavaScript, and Bootstrap, provides an intuitive and engaging user experience.
- Implemented Razorpay payment integration to facilitate secure online donations, enabling supporters to contribute seamlessly to various charitable causes.

TECHNICAL SKILLS

Languages: Java, JavaScript, C++

Frameworks: Spring Boot, ReactJs, HTML5, CSS3, TailWind

DataBase: MySql

Developer Tools: Sprin Tool Suite, Eclipse, VS Code, Git, GitHub

CERTIFICATIONS

- Spring MVC from Infosys SpringBoard
- Java SpringFramework6 with Spring Boot from UDEMY
- React Web Developer Certification from Infosys SpringBoard
- Principles of UX/UI Design from META.
- Introduction to Git and GitHub.
- Innovation Through Design from University of Sydney.

ACHIEVEMENTS

- Was in the top 7 teams in TECHACK 4.0 2024
- Won multiple badges from LeetCode in DSA
- Contributed by making a Charity WebApp
